Product	DAYDREAM (fragrance compound for Eau de Parfum)
Finished-product manufacturer	Eterna Group LLC dba Aromatick (diluted, filled and labeled in-house)
Date of issue	15 October 2026

We certify that the fragrance compound above complies with the Standards of the IFRA Code of Practice (51st Amendment), provided it is used in the following categories at a maximum concentration level of:

IFRA category	Description	Maximum % in finished product
Category 4	Fine fragrance and hydroalcoholic products applied to skin (Eau de Parfum)	**43.0%**
All other categories	Not assessed for this product	Not certified

Daydream Eau de Parfum, as sold, contains the fragrance compound below this maximum level.

Basis. This certificate is based on the fragrance supplier's IFRA 51 Certificate of Conformity for the compound, which covers every material in it that is subject to an IFRA Standard. The compound contains no material prohibited by the IFRA Standards. It is stabilised with BHT.

For use in any other category or at any other level, contact Eterna Group LLC dba Aromatick for a re-assessment.

This document is issued electronically by Eterna Group LLC dba Aromatick and is valid without signature. Responsible person: Rodney Gallagher, Founder & CEO. The information is given in good faith, based on the fragrance supplier's certificate of conformity, allergen declaration and safety data sheet, which are held on file. Values are calculated concentrations and do not replace chromatographic quantification on individual lots.
